Current Medication List

It is very important for you to be thorough when reporting your medications to your physicians. Every time you come to see your physician at Pulmonary Physicians of Kansas City, you must bring a listing of **all medications, inhalers, and any supplements you are taking**. This form is intended to help you keep that information organized. You may want to keep a copy of this form for your own records

Name of Medication	Dosage	How often do you take it?	Date Started

Patient/Guardian Signature _____

Date _____

Name (Printed) _____ Date of Birth ___ /___ /_____
